Photo Submission Guidelines

Our Printer only runs Monday - Friday Mornings

Submission Deadline: Photos must be submitted at least **48 business hours** prior to the pickup or shipping date. We will also let you know when the soonest time for pickup is during confirmation.

Example: You place the order on Friday; you get your image on Tuesday afternoon. Orders placed Monday- Pickup is Wednesday and so on.

Larger Orders: If you place an order for three or more sheets, we recommend providing at least **72 hours' notice** or as soon as you are aware of the order. This allows us to add it to our print schedule, ensuring your order is prioritized over others that may come in later. (We have had orders that get placed up to 3 months in advance. They get priority.)
